

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 1, 1995

SUBJECT: **SB 303 - HB 956**

This bill, if enacted, will authorize local governments to enter into memoranda of understanding with public employees bargaining units. The bill provides that when voluntarily entered into by such parties, memoranda of understanding are enforceable.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

Increased expenditures to local governments will depend upon the number of such agreements entered into and the terms of such agreements. Therefore, such increased expenditures cannot be reasonably determined but are estimated to exceed \$100,000 if several local governments enter into such agreements.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
